

TO WHOM IT MAY CONCERN

With immense pleasure, I am writing this to recommend, *Mr. Vishal Chaurasia*. I have known him in my capacity from *7th February 2023 – 10th October 2023* and he successfully completed this remote internship as a Data Science and AI certifications of 9-month course at Learn Bay Bangalore.

During the unpaid internship he was found to be proactive, punctual and inquisitive who demonstrated a good work ethic and interpersonal skills. *Mr. Vishal Chaurasia* carried out all the tasks that were assigned by the company and he made sure to put extra hours in and completed the work within the deadlines mentioned.

Our team grouped him up with a few other interns to complete the company's major project and we found out that *Mr. Vishal Chaurasia* exhibited profound team management and communication skills that helped him throughout the completion of the project. Besides this, he gained experience in numerous concepts in Data Science that enhanced his existing skill set. I am impressed by his professionalism and dedication. I definitely believe that he would be an excellent fit and will bring great labels to any university or company that he applies to, in the near future.

We wish *Mr. Vishal Chaurasia* all the very best and success in his future endeavors.

If you've any questions regarding the recommendation, please feel free to contact me or mail me regarding the same.
